Free and reduced district letter must be presented to be eligible for this discount.

Athletic/Activity Fee:

A \$30.00 athletic/activity fee is charged one time a year to students who register for sports or activities. This non-refundable fee is due at the time the athletic/activities registration forms are received by the athletic office.

Student Body Card (ASB):

All athletes are required to have an ASB symbol on their student body card. There is a \$25.00 fee for the ASB symbol on the student body card.

Payment Plans:

A payment plan may be set up for payment of the participation and team fees for the 2023-2024 school year. A minimum of 50% is due to set up a participation payment plan ¼ of a payment the following month and the balance must be paid in full before the last scheduled contest of that season. All contracts must be signed by the parent or guardian and approved by the Athletic Director. Payment plans for team fees will not be allowed if the student has previous team fees due. Failure to meet this contract will make the student ineligible (games, school events, etc.) until payment is made.
